

Introduce yourself!

Hi I'm Sula, one of the clarinet players. I've played in the firsts but also in seconds. I've been to Austria twice with the band and Perth around 3 times for the Scottish Concert Band Festival.

How long have you been a member?

Since November 2007 but I came once before then while I was at university.

Tell us a bit about yourself.

I am currently doing a computing degree. I like to cycle, bake, learn new things, share banter with friends and family, and write poetry.

What other instruments do you play?

I used to play viola and recorder. I can play a bit of keyboard and sax and also sing.

Is there another instrument you would like to play?

Improve on skills I have.

What do you enjoy most about DCB?

Music, folk and banter.

Favourite concert venue – past, present..... or future?

Kelvingrove Art Gallery.

Favourite DCB memory?

Meals out, like in Perth and at Christmas.

Favourite piece we've played?

Musicals like Hair Spray and Mamma Mia.

Any piece you'd like to play with the band in the future?

Compositions from band members and their friends. Love Glyn Bragg's music.

Any (family friendly!) DCB related story you'd like to share?

Yes! While at university, I came to the band once in a vintage car driven by Richard Phelps. It had a max speed of around 30-40mph and was quite scary. It was kind that he offered me a lift.

Have you done anything exciting during lockdowns (other than lots of music practice – obviously!!) – learned a new skill or decided to get back into an old hobby for example?

Hand sewn 50 facemasks for food bank donations, re-covered a foot stool, mended/adjusted clothes for parents, improved house painting skills and baking.

Looking forward to getting back to rehearsals?

Yes, of course!
