

Introduce yourself!

I'm Charlotte and I play the trumpet.

How long have you been a member?

About 2 years I think.

Tell us a bit about yourself.

I'm studying at Glasgow University to become a primary teacher. I love children especially my wee niece and nephew. I hope to teach all around the world. I also love crystals too, one of my favourites is rose quartz.

What other instruments do you play?

I also play the flute which I do in DWE. I also love playing ukulele in my bedroom as well as annoying my neighbours with my penny whistle.

Is there another instrument you would like to play?

I'd love to play the piano so I could be a music teacher.

Favourite concert venue – past, present..... or future?

I can't wait to hopefully go to Valencia one day. Or anywhere abroad would be so cool!

Any piece you'd like to play with the band in the future?

A medley of songs from Shrek (it's my all-time favourite movie).

Have you done anything exciting during lockdowns (other than lots of music practice – obviously!!) – learned a new skill or decided to get back into an old hobby for example?

During lockdown I've done some embroidery and have been making my old t-shirts look snazzy :)!
