

**Introduce yourself!**

I'm Jacqui and I play alto and soprano saxophone.

**How long have you been a member?**

Approximately 20 years I think. Too old to remember now for sure!

**What other instruments do you play?**

I have played all the saxes at some point. I also have a go at clarinet, recorder and penny whistle. I play guitar badly (think Julie Andrews "Doe - A deer"), but I'm a pretty mean spoons player!

**Is there another instrument you would like to play?**

Yeh, I'd love a go on the timpani! And have often wished I could play the piano.

**What do you enjoy most about DCB?**

Everything! That's why I keep coming.

**Favourite concert venue – past, present..... or future?**

Nuremberg. What a great reception the audience gave us. That was a fantastic trip all round.

**Favourite DCB memory?**

That's tough. There have been so many. Possibly playing Rockin' Robin at Kelvingrove? Maybe going up the glacier at Schladming?

**Favourite piece we've played?**

Another tough one. I loved Summertime. Klezmer was fun.

**Any piece you'd like to play with the band in the future?**

Laura.

**Have you done anything exciting during lockdowns (other than lots of music practice – obviously!!) – learned a new skill or decided to get back into an old hobby for example?**

I got a new puppy - an exuberant and incorrigible Springer Spaniel called Pippin. Other than that I've just eaten more and watched more TV. I also started a Biblical counselling course just before lockdown and actually welcomed having more time to study.

**Looking forward to getting back to rehearsals?**

Absolutely!
